

**VISIT EAST TIMOR
WITH CATHOLIC MISSION
'GET INVOLVED GLOBALLY'**

You are invited to join us as we experience something of the culture, lifestyle and interaction of the Church with the people of the youngest and poorest nation in South East Asia on an immersion expedition to Timor-Leste from 25 Sep – 10 Oct 2010. The journey will include visits to church orphanages, schools, health clinics and training centres as well as briefings with key church personnel involved in delivering a range of services and programs. A core element of the journey will be an experience of living with a host community.
