

# ART RETREAT

*St Scholastica's College, Glebe  
Point*

*January 4-11, 2011*

'when we engage in the arts, we dip into our souls to discover deep pools of wonder, breath-taking beauty and quiet revelation.

As we create, we are invited into playfulness, poignancy and surprise - energies that revitalise our sense of purpose.'

From: 'Awakening the Creative Spirit' by Paintner and Beckman

No art experience is necessary for this retreat, only a desire to experience the Mystery of God through creating sacred art.
