

Singing with Andrew Chinn

On Friday 4th of March, Andrew Chinn came to St Mary's for an extremely exciting concert. He told us funny stories about him annoying innocent little kindergartens by reading a picture book, but not showing them the pictures. He sang religious songs like 'Underneath God's Beautiful Rainbow', 'Arky Arky' and 'We Are Called to Shine.'

Four people were chosen from each class to join in the choir to help him with his final performance. This was very good and everyone liked what they heard. We think kindergartens liked it the most because it was their first time in a real concert. They got to learn new songs and to help Andrew get new ideas for the future.
