

## Pancake Tuesday at St Mary's Primary, Scone

On Pancake Tuesday, 8<sup>th</sup> of March, Year Five at St Mary's brought in pancake mix to cook pancakes using pancake mix brought in by themselves and other students to raise money for the Queensland flood appeal. The Year Five students went around to all of the classes in the school and cooked pancakes for everyone.

We raised a big \$491.30 which will be sent to the Brisbane Catholic Education Commission who will share it out to help schools rebuild and restock.
