

Global Gifts

This Christmas, be different and give a Gift of Life

Last Christmas how many hopelessly redundant \$20 Christmas presents did you keep until New Year's Eve?

Every year Australians spend billions of dollars on Christmas presents yet so much of what we give and receive is wasted. Meanwhile around the world billions of people will struggle just to feed their families and access clean water this Christmas.

Rather than risk giving an unwanted gift this Christmas, make it a certainty that your gift is valued. Give your friends, family or colleagues a Caritas Australia Global Gift and make a considerable difference to the lives of individuals, families and entire communities around the globe.

Our new range of Global Gifts includes the gifts of Peace, Food Security, Health, Water, Education and Disaster Response. Each gift is beautifully illustrated in a timeless Christmas card your loved ones can cherish. Together we make a crucial difference to the lives of individuals, families and entire communities who must otherwise bear the enduring burden of our indifference.

Once you have selected the gift(s) you wish to purchase, order over the phone by calling **1800 024 413**, or online at www.caritas.org.au/globalgifts
