

CatholicCare Social Services Reaccreditation Success

CatholicCare Social Services Hunter Manning has achieved reaccreditation (foster care) with the Office for Children, Children's Guardian for a period of 5 years.

This reaccreditation and the accompanying high casework practice standards have been achieved by CatholicCare Social Services in an environment of ongoing change, growth and challenge. The process highlighted a number of strengths in the CatholicCare Social Services' program and

has given staff cause for pride. Sue Dark, Director of CatholicCare Social Services said, "I would like to thank all the staff who work here and who have worked here, including those with Centacare. This is your achievement."

"Congratulations to the current team at CatholicCare Social Services including all carers, families, children and young people – you are amazing. A special thanks to those people who took time out of their busy lives to take part in site visits."

This achievement will be marked with an event at which CatholicCare will also launch a new Foster Care Recruitment DVD to encourage more people to consider becoming carers.
