

Journey Stone

Aboriginal Catholic Ministry Melbourne would like all pilgrims travelling to Rome for Mary MacKillop's Canonisation to carry with them a Journey Stone. It is an Aboriginal custom to give travellers a Journey Stone for safe travel. Special hand painted Journey Stones are now available to order from Aboriginal Catholic Ministry Melbourne.

Mary MacKillop's Canonisation is particularly special to the Catholic Aboriginal Community, the concern Mary showed for the welfare and education of Aboriginal peoples is well documented, and her legacy continues through the work of the Sisters of St Joseph.

JOURNEY STONE

*As you journey in the footsteps of Mary MacKillop
may you feel her courageous spirit,
as you walk the streets of Rome.*

*Travel gently with respect
to the places Mary once prayed.*

Hold the sacredness of the land, close to your heart.

*Remember the good that she has done in our sunburnt land
may the spirits of my Ancestors, watch
over and keep you safe. ©*
