

Gathering and Mass of Celebration for Parish Musicians

The Parish Musicians Network, Diocese of Maitland-Newcastle, warmly invite all Parish Musicians to a gathering at the Diocesan Centre, Newcastle West on the afternoon of

Sunday, 26 September 2010

During the gathering, musicians and singers will rehearse for a "Mass of Celebration" which will recognize and celebrate the ministry Parish Musicians undertake. The Mass, celebrated by Bishop Michael, will commence following the rehearsal, at 5.00 pm in the Cathedral and will include a special blessing for Parish musicians.

All current and former Parish Musicians are invited to attend the gathering and the Mass. Any musicians wishing to play an instrument or be part of the choir for the Mass are asked to visit www.evensounds.com.au and go to the Parish Musicians Network page and follow the instructions to register their interest and provide their contact details by **10 September 2010** so that further information can be sent, prior to the event.

Musicians who are unable to attend the rehearsal, and family members of musicians are especially invited to be part of the congregation on that day, but all members of the Diocesan community are encouraged to be present to recognize the ministry of their Parish Musicians.
