**The Word Of God In  
The Life And Mission  
Of The Church**  
Post-Synodal Apostolic Exhortation

**Pope Benedict XVI**

ISBN 9781921472848 | Paperback

***"I wrote Verbum Domini because I would like the work of the synod to have a real effect on the life of the Church: on our personal relationship with the sacred Scriptures, on their interpretation in the liturgy and catechesis, and in scientific research so that the Bible may not be simply a word from the past, but a living and timely word."***

This papal document perhaps is the most comprehensive official synthesis ever on the subject of the Scripture and divine revelation. It is masterfully written and presented with a depth which only a skilled theologian and seasoned teacher and pastor could achieve.
