*A Ministry of the Sisters of St. Joseph, Lochinvar*

## AN INVITATION FOR ALL IN MINISTRY ...

Ministers seek always to be attuned to the mystery of life

... to listen for the meaning beneath the words

... to see below the surface

... to feel for the movement of the human heart

... to be attuned to the presence of God

TWEC invites all who exercise ministry within our community to schedule some reflection time in the year.

Time to stop doing and -

... to be in the presence of God

... to explore the depths of your ministry experience

... to be aware of how God is shaping you

Be alert. Watch the Diocesan Update and search the internet.
