

WYD MADRID 2011 – YOU'RE INVITED!

Australia has participated in World Youth Days (WYD) since their conception in 1985. Our Bishop Michael Malone, along with other Australian Catholic Bishops, is committed to responding to the Holy Father's invitation to join together with him and the young people of the world to celebrate and confirm their faith in Jesus Christ.

One of the pilgrim packages being offered to the youth from our Diocese includes participation in a monastic experience in the Taize community in France prior to gathering with those from our Diocese who will fly directly to Spain for Days in the Diocese (DID) and World Youth Day week. Our Diocese will gather for DID in Plasencia for an exciting program which will open our hearts to a deep encounter with Christ in a local Spanish Community.

Following these festivities our pilgrims will travel to Madrid for a week of celebrations and catechesis with over two million young Catholics from around the world.

With registrations closing on 15 April, youth intending to travel are urged to book online through Harvest Tours on www.wydtours.com and follow the Maitland-Newcastle prompts. For further information please contact Elizabeth Doyle (Taize) on elizabeth.doyle@mn.catholic.org.au or Suzanne Morgan (DID and WYD week) on suzanne.morgan@mn.catholic.edu.au.
