#### BRIEF REPORT ON THE 121<sup>ST</sup> MEETING

HELD ON SATURDAY 2<sup>RD</sup> MAY 2014

**Present:** Bishop Bill Wright, Fr Brian Mascord, Mrs. Teresa Brierley, Mrs Trish Hales, Mr Lawrie Hallinan, Mr Ray Collins, Mrs Judy Crittenden, Mr Bal Gato, Mr Andrew McGinlay Mr Lance Scriven, Mrs Irene Gover, Mr John Presland, Mr John Donnelly, Mr Elroy Aguiar, Sr Louise Gannon, Mrs Shirley McHugh.

#### **Regional Reports / DPC Evaluation Summary**

Trish Hales said the DPC Evaluation summary provided a good insight in to the DPC meetings. Trish has looked at the DPC Terms of Reference (ToR) and noted that some things in the ToR are not happening as they should.

Many agreed that the summary was an accurate description of what is happening at the meetings.

Comment was made that in terms of initiative the DPC has fantastic ideas for the way of the future and the diocesan parish structure but struggle with the requirements to take ideas back to the parishes. Currently, as the DPC members are aware, this is limited, and the DPC is working on how to address this and other structures.

It was noted that the DPC and Bishop Bill are working together to change the way things are done, and may ask the relevant bodies to do the tasks.

Bishop Bill sees the regional councils as establishing what is happening in their area and that he notes that there is some structural problems in this being achieved. The DPC has made significant strides forward during his time, in the pastoral sense. In the future we possibly may be able to address the issues about information being communicated between the regional councils and the diocese. This level of consultation is important. On a positive note Bishop Bill valued the Bishop's Leadership Forum.

Trish thanked the DPC members for taking the steps required to move initiatives forward.

#### **Regional Gatherings**

A gathering has been organised for the Vineyards Region for 17th May at Pokolbin Community Hall. Fr Tony Potts and Fr George Mullappallil from the Vineyards Region will be attending. A flyer has been put in all the Vineyards Region mass centres and schools. The format for the gathering will be open, with an opportunity to listen. DPC members are welcome to attend the gathering.

Teresa will be attending an Upper Hunter Regional meeting on Sunday 4th May to discuss how they would like to hold their regional gathering.

#### **Diocesan Gathering / Assembly**

The working group have held their first meeting and discussed the history of the diocesan gatherings. The working party will review documentation of past Assemblies and Gatherings to determine common themes and challenges which will be discussed at the next two meetings. A recommendation will be presented to the DPC at the meeting on 26th July.

#### **Bishop's Leadership Forum Priority Allocations**

The working party have met and re-examined the list, no changes have been made to the priorities but a couple have been merged into more appropriate sections. None of the priorities are more important than the other. Each priority has been allocated a key driver, who is not responsible for implementing the priorities but will be the coordinator with the other organisations to implement the priorities.

The next steps are for the Diocesan Executive to contact the key drivers to ask them to get in touch with the nominated organisations identified for the priority, to ask them how are they going to achieve the priorities then report back outcomes to the Bishop Bill and the Diocesan Executive.

#### **Minutes of the Previous Meeting**
