

Interfaith Forum

The Catholic Diocesan Ecumenical and Interfaith Council invites you to attend four Interfaith Forums, that will be held during the year.

The four forums this year will explore more about our faith in action, by discovering our differences, as well as looking at what we can learn from each other about **Prayer, Finding Spirituality, God's Messages and our Discernment Process.**

At each forum a presenter from their faith will share about the theme from their faith perspective. It will be an opportunity for other faith communities to learn more about that faith and share their knowledge from their faith tradition.
