

FAMILIES NOT ORPHANAGES

Supporting the transition from orphanage based care to family based care in Ndaragwa, Kenya

Experienced aid worker and Newcastle local, Therese Osland, is preparing to embark on a six month trip to Kenya where she will volunteer her time and expertise with the aim of transitioning children from orphanages to family based care. In collaboration with ACCI Therese will assist local agencies to develop their skills, knowledge and systems ensuring they are well positioned to empower local families to care for vulnerable children.

Funds raised from the Families Not Orphanages BBQ and Bowls event will go towards:

- ▶ Purchasing of training resources – picture cards, training packages
- ▶ Development of tools for:
 - Staff and family training modules
 - Recruitment, assessment and training of Forever Families
 - Case management systems
 - Monitoring and Evaluation
- ▶ Support for children and families through the transition process
- ▶ Networking opportunities with Kenyan and Ugandan government and affiliated agencies.
