

The New LiturgyHelp

TRAINING WORKSHOPS

everything liturgy
everything you need
makes planning easier
help is one click away

LiturgyHelp is nearly twenty years old and has received a massive makeover. The new version will roll out to Maitland-Newcastle users in March with online help for an easy transition. *Don't panic, you can toggle to the old version in one click.*

Patrick Nisbet from Creative Ministries will travel from Tasmania to run workshops. This is why we need to fit everyone in across one weekend at the locations shown at right. We hope you can juggle your commitments so you do not miss this opportunity.

All current and new LiturgyHelp users, all liturgical ministers and office staff are encouraged to attend so we can learn to use the full capacity of this wonderful resource.

RSVP to sharon.murphy@mn.catholic.org.au or ph 4979 1134 to book your training.

Parishioners unable to attend May sessions are welcome at the CSO June session from 1.30 to 3 pm. RSVP to Sharon.
