The Diocesan Liturgy Council is a busy council with a significant workload. It supports an increasing circle of Forums, Standing Committees and Working Parties. Because of this complexity, new members begin as associates and are mentored by Councillors. This process gives new members a sense of the ministry enabling them to discern with the Council whether they will be appointed as full members.

If you are interested and have any questions you would like to discuss before submitting an Expression of Interest, please contact Louise Gannon rsj on the email and phone numbers above.
