REDISCOVERING JOY

FINDING WONDER AND JOY IN THE WORD OF GOD

*How are hearts set on fire with love of God and love of the world?
'The only thing that counts for me,' wrote Pierre Teilhard de Chardin,
'is not to propagate God but to discover him.'*

Join us for a Day with Sr Mary Coloe, current Associate Professor of New Testament studies within the University of Divinity Melbourne. In a retreat style and setting, Sr Mary will help us examine how rich and life-giving Scripture can be, revealing a God whose story intends to renew our lives and calls us to actively engage with the world.
